Information on broadcasting and  
interpretation for the General Shareholders  
Meeting

ERRONKA GARBIA  
EVENTO AMBIENTALMENTE SOSTENIBLE

## Information on the procedures and systems used to facilitate viewing of the General Shareholders Meeting and for provide language interpretation

In order to provide increased opportunities to view the Extraordinary General Shareholders Meeting and allow the event to be broadcast and reproduced, all or any portion of the event may be subject to audio-video recording and simultaneous or deferred broadcasting, which will be made available to the public via the Company's corporate website ([www.euskaltel.com](http://www.euskaltel.com)).

Simply by attending the Extraordinary General Shareholders Meeting at the location where it is held, all attendees are granting their consent for their images to be recorded, broadcast, and reproduced (including their voices), as well as consent for processing of their personal data by such means.

Throughout the entire Extraordinary General Shareholders Meeting, the Company will provide the necessary means for simultaneous interpretation of the meeting's contents spoken in Spanish into the Basque language (*Euskera*) and English, as well as for consecutive interpretation of any contents spoken by the shareholders in *Euskera* or English into Spanish.
